

A woman with dark hair is lying in a hospital bed, wearing a grey hospital gown and white pillows. She is wearing large black over-ear headphones and holding a blue tablet computer in her left hand. She has a pleasant expression, smiling slightly with her eyes closed. The background shows a typical hospital room setting with light blue walls and medical equipment.

Everyday Audio. Done Right.

The AE-08: Simple. Reliable. Ready to go.

Tough enough for daily use and comfortable enough for long sessions, the AE-08 is built to keep up. The AE-08 is your all-around audio companion. This classic on-ear design combines durability, comfort, and sound quality—making it a smart pick for everyday listening.

LOOKING FOR A NO-FUSS HEADPHONE THAT DELIVERS WHERE IT COUNTS?

- **Versatile Listening:** Great for music, media, and more—at home or in the classroom.
- **Room to Move:** A 6-foot cord gives you the freedom to stay connected without feeling restricted.
- **Plug & Play:** Standard 3.5mm connection works with most devices.
- **Comfort that Adapts:** Lightweight, adjustable headband for a secure, personalized fit.

OUR AUDIO SOLUTIONS ARE:

- Durable and reliable
- Easy to store and clean
- Meets safety compliances
- Compatible across many platforms and devices
