

Comfort you'll feel. Quality you'll hear.

Reliable, durable, and ready for anything

Built for focus and performance, the AE-75 combines comfort, clear communication, and immersive sound. From classrooms to virtual meetings to content creation, this award-winning headset supports long days of learning and working with ease.

- All-Day Comfort: Padded headband and deluxe over-ear cushions provide a secure, comfortable fit that lasts.
- Rich, Clear Sound: Larger speaker drivers deliver deep bass and natural, detailed audio for a premium listening experience.
- Crystal-Clear Communication: Noise-canceling, bidirectional boom mic blocks out distractions so your voice comes through loud and clear.

FOCUSED LISTENING

Passive noise-reducing earcups help minimize outside noise and keep focus on the task at hand.

FLEXIBLE BOOM ARM

Easily adjustable mic ensures the perfect positioning for every user.

OUR AUDIO SOLUTIONS ARE:

- Durable and reliable
- Easy to store and clean
- Meets safety compliances
- Compatible across many platforms and devices

Larger speaker delivers clear natural sound with deep bass

Flexible noise-canceling rotating microphone for uninterrupted, clear communication

Available with 3.5mm TRRS connection

Includes travel pouch for convenient on-the-go storage
