

FV-060 Headphone

Durable quality with comfortable listening experience

Connects in a variety of settings, the FV-060 is a great solution for remote working and beyond.

- High level of adjustability allows for one of the most comfortable listening experiences available in the category.
- Designed to deliver a satisfying experience on a wide range of devices that offer a 3.5mm input.
- Rigid-housing made to sustain daily wear and tear.

Rotating earpieces allow the frame to lie flat for easy storage

Adjustable headband allows for proper positioning of earcups on the ears

Padded earcups provide comfort and are easy to clean between uses
